Would you like to get closer to the action? Then why not become a volunteer marshal?

As a marshal, you will be fulfilling a vital role in motorsport - without marshal's, there would be no motorsport.

All motorsport disciplines rely on volunteers to come forward and offer their services as marshal's - no previous experience is necessary.

You will be amongst fellow motorsport enthusiasts who will provide guidance and training - the motorsport community is a very friendly environment.

If you are not sure - why not attend an event and find out for yourself!

What will be covered?

- competitor vehicle checking
- competitor paperwork checking
- the hill control unit
- timekeeping
- rescue unit
- recovery unit
- various aspects of the course (hill)
- competitor paddock
- start-line
- the marshal posts that have specific functions

What time will I be required?

Speed events - hillclimbs and sprints - between
7am-8am for "signing on"

An event will usually finish between 5pm-6pm

What clothing should I wear?

- casual outdoor wear - arms and legs must be covered
- suitable footwear for walking the countryside
- waterproofs

What else do I need?

- water
- snacks - some events will provide a free lunch

What is the minimum age?

- 11 years old - you will need to be accompanied by a parent/guardian for the day.
- All marshals that are under 18 years of age must be signed on using an "under 18 signing-on form", which must be countersigned by the marshal's parent or guardian.

All volunteer's are always very welcome, and you will be gaining experience with every event that you attend.
